Dear Mr. Walton,

I am writing to express my keen interest in applying for the Intern position at Make4You Web Solutions, as advertised. With a passion for web development and a drive to learn and grow in the field, I am excited about the opportunity to contribute to your team and gain valuable experience in a professional setting.

As a third-year BSIT student at Holy Angel University, I have been honing my skills in web development, programming, and design. I am particularly proficient in HTML, CSS, JavaScript, and have experience working with various web development frameworks. Additionally, I have completed several projects, examples of which can be found in my web-based portfolio at: <https://jonjondizon.github.io/FinalsPortfolio/>.

I am drawn to Make4You Web Solutions because of its reputation for delivering high-quality web solutions to clients. I am eager to immerse myself in a dynamic and collaborative environment where I can apply my skills, learn from experienced professionals, and contribute to meaningful projects.

Thank you for considering my application. I am excited about the possibility of joining Make4You Web Solutions and am confident that my skills and enthusiasm would make me a valuable addition to your team. I look forward to the opportunity to discuss how I can contribute to your company further.

Regards,

Jon Rafael Dizon
